We are Reckitt: A global company home to the world’s most beloved and trusted hygiene, health and nutrition brands, including: Durex, Finish, Napisan, Air Wick, Calgon, Vanish, Sole, Gaviscon, Nurofen, Benagol and Veet. We are a diverse global family united by a great common purpose: to make access to high-quality health, wellness and nutrition a right, not a privilege. We are present in over 68 countries and six continents, and our products are sold in nearly every country of the world. We put sustainability at the center, which is why we plan to reduce our carbon emissions by 65%, use 100% renewable electricity by 2030 and significantly reduce the water footprint of our products.
