

FILIPPO PRATESI

a) What was your V & E background before attending VENIT?

I already had a bachelor's degree in Viticulture and Enology from Università degli Studi di Firenze. In addition, I followed also a sommelier course before.

b) What was your occupation before attending VENIT?

Before VENIT I made already various experiences in Tuscan wineries and was in charge of red and white winemaking and also sales. Additionally, I performed one harvest in South Africa before enrolling.

c) What is your current occupation?

Currently I am employed as Assistant of the responsible agronomist in an important winery of Chianti Classico.

d) How much did VENIT contributed to such a change?

Most notably, I benefited from the English course language and the prestige of UCSC Piacenza, which is well known in Italy and beyond.
